NOTES

* Grey Column= total allocation for the whole school year.

* Pink Column= 1st Quarter Allocation. Spend this amount by September 30, 2016. This does not roll over into the 2nd-4th Quarter Allocation.

* Yellow Column= 2nd-4th Quarter Allocation. Spend this amount from October 1, 2016-June 30, 2017.

* **Operational Costs** are the costs of running your FFVP service, including buying, delivering, preparing, and serving fruits and vegetables.

* You can spend up to 10% of your allocation on **Administrative Costs**, such as expenses related to planning the Program, managing the paperwork, obtaining large equipment. 10% is the maximum that you can spend on Administrative costs; you can spend less on Administrative costs and more on Operational costs if that fits your budget.

* Printing Tip: Select "Landscape Orientation" and choose "Fit" for the scaling option. This way you can see all three columns on one page.

* The approximate per student allocation is \$54.17
